ORDER

In February 2024, a grand jury indicted Steven Michael Brown on charges of being a felon in possession of a firearm and ammunition, in violation of 18 U.S.C. § 922(g)(1). (Doc. 1). Mr. Brown moved to dismiss the indictment on the ground that § 922(g)(1) violates his Second Amendment rights both facially and as applied. (Doc. 16). The magistrate judge entered a report recommending that the court deny the motion to dismiss the indictment because Eleventh Circuit precedent forecloses Mr. Brown's argument. (Doc. 23). The magistrate judge advised Mr. Brown of his right to object and of the consequences of failure to object (*id.* at 3), but Mr. Brown has not filed any objections.

Mr. Brown's failure to file specific objections waives any challenge to the proposed findings and recommendations. *See* 28 U.S.C. § 636(b)(1); 11th Cir. R. 3-1. The court therefore **ADOPTS** the magistrate judge's report and **ACCEPTS** the

recommendation. The court **DENIES** Mr. Brown's motion to dismiss the indictment.

DONE and **ORDERED** this August 15, 2024.
